

## **“Let’s Talk About It” @ the Boise Basin Library this Fall**

The Let’s Talk About It program has selected Boise Basin Library as one of fifteen participants this year. This program provides our library and the community an opportunity to hear humanities scholars speak on specific books related to our series theme, Tough Paradise.

The LTAI program is modeled after the National Let’s Talk About It project developed by the American Library Association and allows participating libraries to host a series of discussions, each featuring a book related to the series theme. Our theme Tough Paradise voted a favorite among scholars in 2021, was developed as part of a special project to highlight the literature of Idaho and the Intermountain West. Please contact Debbie at the library to sign up for a session.

The Boise Basin Library will host three sessions and participants may sign up for one, two or all three.
