Judging and Awards and The End

- Judging samples will be pulled and put in a hot holding bath from **11:30-Noon**.
- There are usually 5 judges who judge you on: Taste (weighted by 3X), Aroma, Consistency, Aftertaste, and Color.
- **SERVING WILL NOT BE ALLOWED BEFORE THE LAST SAMPLE IS PULLED for judging, at Noon.**
- Each person who has bought their sample cup will get **only one, 2 oz.** sample from you.
- **As soon as you run out of chili text 208-807-6434.** At 1:40 (or when many of the chili's are out) all People's Choice buckets will be pulled at the same time. You may continue to serve, if you still have chili, but no People's Choice tickets will count after 1:40. Everybody has equal time to collect tickets, so don't flip out. Again...We don't care if you have belly dancers holding signs, Vote for #6!" just HAVE FUN and DON'T BREAK THE LAW! There is always the Judge's Awards for the best chilis. You get a trophy, bragging rights, but no cash for People's Choice.
- **1:30-2:00** Silent Auction sheets are pulled and Money is collected.
- **2:00 or ASAP** - 1st, 2nd, and 3rd Places and the People's Choice Award are Announced. Teams collect their prize Money. Gather on Main St. at the microphone for the announcements.
- **2:30** Turn in your feedback sheets and your ladle and receive your judges' sheets, before you leave, with your trash. You can take your trash to the dump (10 min. on Centerville Rd.) or pack out. The dump closes at **5:00** sharp.
- Give your ladle back to a chamber volunteer.
